

WHAT IS CATHOLIC CAMPUS MINISTRY AT RADFORD UNIVERSITY?

At our bishop's directive, we are an extension of St. Jude Parish and the Catholic Diocese of Richmond that serves the community in Radford with a special eye for the young adults on RU's campus. Our community includes RU students, non-students, community college students, single young adults, married young adults, their children, and older witnesses to the faith, be they faculty at RU or parishioners at St. Jude's wanting to serve.

THE DIRECTOR OF CATHOLIC CAMPUS MINISTRY

Tony, the Director of Campus Ministry, serves to guide and help facilitate the ministry. He is a representative of the Diocese of Richmond Evangelization Office that helps the leadership team carry out their plans and desires to fruition. He is also a counsel and guide for students, does administrative work for the ministry, and provides catechesis.

SERVANT LEADERSHIP TEAM

The Servant Leadership Team runs RUCCM, whose mission is to make and help form disciples. Each person has different responsibilities, but each works as a team. This means attending to weekly events such as Mass and small groups, as well as creatively addressing needs of the community, so that all can grow as disciples. They are person-centered, not program-centered, realizing programs are a means to an end. They meet with the Campus Minister bi-weekly for personal growth and to check-in regarding their particular roles. Good leaders "verb" leadership, actively serving and being present on campus.

WHO CAN SERVE ON THE SERVANT LEADERSHIP TEAM

Young adults college-aged with an active personal prayer life motivated to spread the Gospel on RU's campus. They should be persons of integrity that others respect, open to growing spiritually and offering time on a weekly basis to serve the needs of CCM. Meetings are Mondays at 6pm.

Persons may want to serve for a variety of reasons, but the most profound and meaningful reason is to help minister to the spiritual needs of others, especially vulnerable RU students; they respond to the call to make a difference that lasts to eternity.

Candidates need to be open and committed. No one is perfect, but CCM leaders strive for perfection and are open to learning as they are trained in their roles and gain experience.
